Men bet on horses, but horses never bet on men. Horses have horse sense.

TIRED OUT.

There's many a wife sits in the growing shadows of an evening, knowing what it is to feel tired out; as if there was not another ounce of effort left in her. But if healthy she knows how sound her slumber will be and how refreshed the morning will find her. But it's another thing for the sick woman to feel tired out. Rest only seems to increase her suffering. She feels acutely the aching back and throbbing nerves. Sick women, hundreds of thousands of them, have been made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I am pleased to inform you of the benefit I received from using Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,'" writes Mrs. Elizabeth A. Oswold, of 45 Brant Street, Windsor, Essex Co., Ontario, Canada. "Was quite discouraged when I wrote asking your advice, as the physicians here told me I could get no relief except by an operation. Suffered for four years from irregular and profuse menstruation, had sick and nervous headaches most of the time, and at times could hardly walk across the floor from weakness. I thank God there is such a remedy as Dr. Pierce's Favorite Prescription for suffering women. Before I had taken the first bottle the headaches had left me and it was not long before regularity was established and still continues so. Have just finished house-cleaning which I never expected to be able to do again, and can truly say I never felt better than at present. I gladly recommend 'Favorite Prescription' to all who suffer from female weakness. It has cured me and made me stronger in every way. Neither my husband nor myself can say enough in its praise."

The selfish seller who urges some substitute is thinking of the larger profit he'll make and not of your best good.

Harvey Combe's Reproof.

Perhaps the neatest reproof to a long winded preacher was that given by Harvey Combe when lord mayor of London to Dr. Parr. As they were coming out of church together Parr was so foolish as to ask the other how he liked his sermon. "Well, doctor, to speak frankly, there were four things in it that I did not like to hear. They were the quarters of the church clock which struck before you had finished."

Easy to Remember.

Hostess—My dear count, you must pardon me, but I have such a very poor memory for names. It's a real affliction. I have forgotten yours. The Count—You should gonzult a specialist on mendal diseases, my tear madam; you really should. My name is Kaskowowskichniffingloski.—London Answers.

A Way Out.

Mrs. Hiram Offen—See here, Maria, the dishes you have put on the table of late have been positively dirty. Something's got to be done about it. Maria—True for ye, ma'am. If ye only had dark colored ones, ma'am, they would not show the dirt at all.—Philadelphia Press.

Cash and Charges.

Quiziness—Which do you prefer, to sell for cash or charge things? Business—Cash, of course. But if they don't pay promptly, then I prefer charges.—

If a Cow gave Butter

mankind would have to invent milk. Milk is Nature's emulsion—butter put in shape for digestion. Cod liver oil is extremely nourishing, but it has to be emulsified before we can digest it.

Scott's Emulsion

combines the best oil with the valuable hypophosphites so that it is easy to digest and does far more good than the oil alone could. That makes Scott's Emulsion the most strengthening, nourishing food-medicine in the world.

The Greatest American Two-Cylinder Touring Car Ever Sold

FOR $1550.00

This car is superior, in design and speed, to many of the best two-cylinder cars built in 1904—cars which sold for from $2000 to $3000.

20-H. P. Oldsmobile Touring Car

This is the latest Oldsmobile creation—a 20-H. P. two-cylinder touring car with side entrance. Double opposed motor 5½ x 6, 90-inch wheel base, noise of exhaust completely eliminated. It combines comfort with speed, hill-climbing ability and plenty of surplus power.

It is roomy and comfortable. Its distributed weight and long spring action permit 5 to 10 miles per hour increased speed over rough country roads with comfort and this ease of spring saves tire expense and general wear and tear.

It is very easily controlled and is quick in action. It runs on high speed up to 40 miles an hour. This machine is very popular in San Francisco as it has the power to take heavy grades on high speed. This space is too limited to give full description; the whole story is told, however, when we say "There is no other $1550.00 machine of its class to equal it." Let us prove this to you.

Don't forget that our French Type Runabout at $800.00 (F. O. B. San Francisco) has no equal. Our Olds Curve Dash ($700.00) is a standard "Office on Wheels"; Our Tonneau ($.050.00) is a good slow speed family car. Altogether we have twelve types of machines. OLDSMOBILES run the year through and run for years. The wear and tear expense is $1.00 to $5.00 for other makes.

Our WINTON Four-Cylinder Touring Cars have all cars of their class "driven to the tall timber"—4 Models, 16 to 50 H. P. $1950 to $4650

These be strenuous times indeed. Crusades are being preached against many time-honored institutions. In Iowa, war is being waged on whiskers; in Wisconsin, there is a fiery attack on tips; New York is beginning to revolt against the tyranny of the "boiled" shirt, while in Philadelphia they actually have Graft down and are kicking his insides out. Even a bitter campaign is being waged against the mosquito, and Indiana is up in arms against the cigarette. Still we are told the world is preparing to go on a peace footing. Jerome Hart is of the opinion, however, that it will end in people learning to swear at each other in many languages.

A Connecticut man who fathered a law providing for regulating the speed of automobiles has been arrested for running his machine too fast. He probably had no automobile when he got the law passed.

An exchange says Grover Cleveland missed the mark when he took a shot at women's clubs. On the contrary, the squawking and cackling indicate that he made a center shot.

The United States Supreme Court has decided that certain Indians have the right to line up in front of a bar and drink whisky. A whole lot of Indians with very white skins manage to do that.

Hoke Smith is a candidate for Governor in Georgia. Crackers and cheese! if they will only put Dink Botts on the ticket with him the campaign will be one grand round of gaiety for the entire nation.

What is the matter with our California climate anyhow? Here it is nearly the middle of June and the market is supplied with tomatoes mainly from Florida and Mexico.

Senator Flint wants fortifications to protect Los Angeles from invasion. We should think the hotel prices in Los Angeles would keep out the boldest invader.

PESCAEERO WILL CELEBRATE

A Grand Free Barbecue Will Be a Feature of the Day.

The citizens of Pescadero are arranging a fitting celebration of the Fourth of July and steps are being taken to make the event as enjoyable as will be held in any of the neighboring towns.

There will be musical and literary exercises during the forenoon and a grand free barecue. Hall C. Ross of Belmont will deliver the oration.

In the afternoon there will be horse-racing, footracing and a diversity of amusements. At night there will be a display of fireworks and later a grand ball at Union hall.

Hon. B. Hayward will be president of the day; E. A. Shaw, M. J. Perry, C. J. Coburn and E. E. Luce are arranging the details of the event.

Bond Election at Halfmoon Bay.

A bond election will be held in Half Moon Bay to-day to see whether or not the residents of that thriving city will bond the town for the erection of a new school house. The building is badly needed, and Half Moon Bay should keep up with the march of civilization and furnish the best possible structure in which to educate her future citizens.

On Monday morning some miscreant made a carefully planned attempt to burn the Pillsbury building in Palo Alto, owned by Dr. W. M. Barret of this city. The firebug soaked a quilt and bundle of excelsior in kerosene and wrapped two bottles of oil in the center of the same, making a large bundle. This was set on fire in a toilet of the lodging house which occupies the center of the second floor. Fortunately, a young lady working at the place detected the smell of smoke and had the necessary assistance immediately to extinguish the blaze. The place was insured for less than half its value. No motive for incendiarism could at first be thought of, but the officers now think they have a clue to the affair.

Elizabeth M. Choate, wife of Bennet Choate, passed away at her home on Heller street last Sunday after an illness covering several months. Mrs. Choate was a patient sufferer and the beautiful spirit with which she accepted her affliction made her passage from this life especially hard for her husband and lovod ones. The deceased had been married but little over a year and was a native of Redwood City, aged 21 years and 4 months. She went through the local school and was a general favorite with all her companions, and her sunny disposition made her liked by all with whom she became acquainted. The funeral took place from the late residence at 2 p. m. Thursday, thence to St. Peter's Episcopal church, where Rev. D. M. Crabtree, assisted by Mr. Cook, conducted the services. The cortege, headed by the Rebekah lodge of which the deceased was a member, wended its way to Union cemetery, where the interment took place. COUNTY BOARD IN SESSION

Official Business Transacted by the Supervisors at Last Meeting.

Supervisors Cannot Agree Upon a Tax Collector Havin Balloted Eleven Times.

The Board of Supervisors held an adjourned meeting Monday for the purpose of electing a tax collector to succeed the late Frank M. Granger. After balloting eleven times no conclusion was reached. The deadlock that existed at the previous meeting could not be broken.

Chairman Coleman announced that balloting for Tax Collector was in order.

At the forenoon session five ballots were taken, as follows:

	1	2	3	4	5
J. P. Weller	1	1	2	1	2
C. L. McCracken	2	2	2	2	2
Geo. C. Luce	1	1	0	0	0
J. F. Johnston	1	1	1	1	1
Scattering	0	0	0	1	0

Chairman Coleman, seeing that it was impossible to make a selection, ordered balloting continued until the afternoon session of the board.

There was a large audience of interested spectators present but no demonstration was made in favor of any of the candidates, thoughh it was apparent that each had friends in the crowd.

In the afternoon Chairman Coleman ordered balloting resumed, the vote being:

	1	2	3	4	5	6
J. P. Weller	1	2	1	2	2	
C. L. McCracken	2	2	2	2	2	
Geo. C. Luce	1	0	0	0	0	
J. F. Johnston	1	1	1	1	1	
Scattering	0	0	1	0	0	

Chairman Coleman saw there was no use in proceeding further with the balloting and therefore ordered its postponement until next Monday, when it is thought the deadlock will be broken.

Caleb Coakley applied for a license to conduct a saloon at Colma. His bondsmen are Carl Muller and J. V. Swift. Harry E. Corbett also applied for a license to conduct a saloon at Uncle Tom's Cabin near San Bruno, recently purchased by him from A. Jenevein. His bondsmen are P. A. Roussell and John Boyd. The applications will be acted upon at the meeting to be held on July 3d.

A petition was received from the Italian Cemetery Association for permission to annex a large tract of land to its present cemetery near Colma, for the purpose of enlarging the grounds.

In accordance with law its notice of intention must be advertised in order that proper notice be given to all who may be in any wise affected. Action on the petition was deferred until the next meeting.

The ordinance recently passed by the Supervisors limiting the number of saloons in the county, outside of incorporated towns, to 105, promises to give the board no little trouble. Thinking the county had a sufficiency of places where the thirst of citizens could be assuaged, the limit was made and it met with the approval of those already engaged in the business.

Now comes a complaint which is the commencement of a storm of trouble. Recently Harry Corbett of San Francisco secured control of Uncle Tom's Cabin, near San Bruno. Gus Jenevein, the former lessee of the place, moved to his former quarters across the road and claims the license under which he conducted business at Uncle Tom's. Corbett believes the resort without a liquor license would not be desirable, and in order to get one the limit must be increased to accommodate it. In various parts of the county there are a number of others who have been endeavoring to secure licenses, also, but the limit being full their only hope was to await a vacancy in the charmed circle of 105. Mr. Corbett has applied for a license and it goes without saying that when his application is considered he will have a numerous host present with a similar request.

A map of the Boyd-Kent tract, a part of the McEvoy ranch near Redwood City, was filed with the board and the same was unanimously accepted by resolution.

William Cassie, the recently appointed poundmaster of the Third Township, presented his bond in the sum of $500, his sureties being the Fidelity and Deposit Company of Maryland. The bond was duly approved.

A lengthy communication from Secretary of State Curry was read, stating that the commission appointed to examine and select voting machines had agreed upon the Deane balloting machine.

REUNITED AFTER YEARS.

J. F. Hooper, an Uncle of Lon Cook, Meets a Brother in Malden, Mass.

After a separation of fifty-four years, John F. Hooper, a California argonaut, resident in San Francisco, uncle of Lon Cook of Redwood City, has met his brother, Nathaniel M. Hooper, known as "Uncle Nat," and his sister, Mrs. Margaret E. Leach, at the latter's home in Malden, Massachusetts. The meeting was very pathetic.

John Hooper left Salem fifty-four years ago to seek his fortune in the gold fields, sailing around the Horn. For a number years he was a hotel proprietor in the Mariposa district, amassing a fortune, but for fifteen years past has lived a retired life in San Francisco. His wife died two years ago. They had no children, and while he believes that California is the most beautiful State in the Union, he decided to spend his last days among his friends and boyhood companions.

TO CONDEMN COWELL LANDS.

Electric Road Wants One Acre Below Bay Street from Cowells.

Following the example of the Southern Pacific, which has several condemnation suits now pending on land secured by the Ocean Shore road, the latter road on Wednesday began condemnation proceedings against the H. Cowell Lime and Cement Company and A. Linquist for land required for its right of way through Santa Cruz. The Cowell Company holds the key to the electric road's connection with the water front, and possession of this land, under the right of eminent domain, is asked from the courts. It consists of a strip of land 100 feet wide from the Bay street viaduct to the bayshore, between the S. P. and Cowell's wharves, and will cover a little over one acre.

About half an acre is asked from Lindquist, between Gharky and Bay streets, running through two blocks.

Corbet and Goodwin of San Francisco and W. P. Netherton of Santa Cruz are the attorneys for the railroad.—Santa Cruz Sentinel.

A Mysterious Death.

An unknown woman was found at Cypress Lawn cemetery, Monday. The remains were brought to Redwood City the same day but the possibility of identification is slight, as the flesh of the head and face was decomposed and almost entirely gone. A cheap straw hat with roses on it was found by the body. Death was caused by a pistol shot, evidently fired with suicidal intent. One peculiar thing about the affair is that the pistol is bright and new, and does not look as though it had been exposed to the weather long, while the body gives evidence of having been in the place where it was found at least a month or two. From the color of the hair and skin it is supposed that the woman was an Italian or Portuguese.

Preparing for the Fourth.

On account of the coming celebration at San Mateo in which the fireman will take a prominent part. Hook and Ladder Company No. 1 has elected the following officers for the term: Foreman, John Gothard; assistant foreman, Edw. Bale; secretary, Harry Gittings Jr.; treasurer, F. J. Cocharan; delegate to board, G. A. Carson. This company is making great preparations for the Fourth and are going to do their best to outshine their fellow-firemen from the county seat.

All whist players should be muzzled, poor ones so that their chatter can't interfere with the game, good ones so they can't cuss the poor ones.

ALL AROUND THE COUNTY

Events of the Week as Recorded by Corps of Special Correspondents.

A Poor Hay Crop This Year—Miss Edna Hatch Weds Dr. J. C. McGovern in the Cty.

WOODSIDE, June 16—A dance will be given to-morrow, Saturday evening, by the young men of this place. Good music, a good supper, and as usual a good time is in store for all who attend.

H. E. Holmes is erecting a neat and attractive wire fence around his home.

Jerry Hollinshead has returned from a two weeks' visit with his folks at Pescadero.

Miss Mamie Walker of San Mateo is spending a month's vacation with her folks in this place.

Harry Jimison and family of Redwood were among the prominent visitors here Sunday with relatives.

Mrs. Osgood Hooker of Burlingame was the guest of her sister Mrs. C. K. McIntosh the first of the week.

O. Johnson, our enterprising butcher, is out with his newly painted wagon which certainly shows the progressive spirit of his business.

Haying is in full sway here at present. Owing to the rust nearly all the crops will be cut for hay and the rust will effect the grain to a great extent but how much cannot be determined until after the grain is threshed. As a result there will be lots of poor hay in the country and little or no first-class hay.

Because of the great increase of trade in Redwood, Menlo Park, Fair Oaks and San Mateo, the Del Monte bakery will be unable to run the regular wagon to Woodside this summer. Mr. Baldwin, the proprietor, has therefore established a branch bakery at Woodside and R. O. Tripp will supply the people in that vicinity with the Del Monte products. Fresh bread will be sent up to the Woodside store every morning.

HALFMOON BAY ITEMS.

HALFMOON BAY, June 14—The celebration of Esperito Santos last Saturday and Sunday drew a great crowd of visitors from neighboring towns. At 8 o'clock Saturday evening the ceremonies commenced. The procession went first to the church and then to the hall where a grand ball was enjoyed. The First Regiment band of San Francisco furnished excellent music and the dance was thoroughly enjoyed. On Sunday morning the festivities were started after the return from the church at 11 o'clock. A grand free barbecue was served after which dancing was again indulged in. Frank S. Martin acted as president of the day and Frank S. Martin, Ben Cunha, Manuel S. Bettencourt, acted as a reception committee.

Miss Edna Hatch, eldest daughter of Rufus Hatch and Dr. J. C. McGovern were united in marriage last Tuesday in San Fraecisco. The bride was attended by her sister Miss Clara Hatch while Alvin Hatch accompanied the groom. Mrs. McGovern was born and raised in Halfmoon Bay and is one of its most popular young ladies. Dr. McGovern, like his bride, is also a native of this town. After graduating from the local schools he was graduated as a doctor of dentistry and now enjoys a good practice. After an extended trip through the southern part of the State Dr. and Mrs. McGovern will make their home in San Francisco.

Miss Nora Kyne and Harry Archer were married last Thursday morning by Rev. Father Sullivan. The ceremony was performed in the parlor of the Occidental Hotel which was tastily decorated with flowers and ferns. Miss Ella Kyne acted as bridesmaid and Mr. Archer was attended by Peter Kyne. Mrs. Archer for the past three years has had charge of the Higgins school and is a great favorite with her pupils and friends. The young couple left on the same day for San Francisco where they will enjoy their honeymoon.

The wedding of Miss Mary Kyne of Halfmoon Bay and John McNamara of Tonopah was solemnized in St. James church, San Francisco, on Thursday evening, Rev. Father Griffith officiating. Mrs. McNamara is the daughter of Mr. and Mrs. John Kyne and is well known here, although she has resided in San Francisco for several years past. Mr. McNamara is a Tonopah miner. After a wedding trip in the south the happy couple will go to Tonopah where they will make their future home.

PESCADERO PEBBLES.

PESCADERO, June 14—F. F. Field and wife of San Francisco spent several days last week in Pescadero.

One of the roomers at the Swanton House in Fern Cottage accidentally broke the gas fixture last Thursday night. In attempting to see what damage was done he lighted a match which instantly ignited the escaping gas and set the room afire. The gas was quickly shut off at the supply house and with the aid of buckets and hose the blaze was soon extinguished. The only damage done was a badly scorched ceiling and walls.

J. C. Williamson returned last week from an extended trip through Sonoma, Mendocino and Lake counties. Mr. Williamson has almost entirely recovered from the injury to his leg.

Mrs. Luce, wife of the genial proprietor of the Swanton House, was confined to her bed last week by an illness.

Coroner's Inquest.

The Coroner's inquest to determine the cause of death of Mrs. Annie Owen, the San Francisco school teacher who was killed at Cypress Lawn Cemetery on Decoration Day was held Tuesday night at the Court House. The jury brought in a verdict of death by accident.

KELLEY LAUNDRY CO.

Hustling for Business and Highly Popular With its Patrons.

D. H. McKay is hustling business for the Kelly Laundry Co. of San Jose and is making a big success of it. He believes in giving the people quick service, good treatment and quick deliveries. McKay and the Kelly company cover all of Palo Alto, all of Redwood City, all of Menlo Park, Fair Oaks and Woodside, as well as the territory intervening. Mr. McKay looks to his company to do the good work that the people of this section of the county demands, and he gets it.

Will of Mrs. A. Hussey Filed.

The will of Mrs. Alice Hussey who died on June 5th has been filed for probate. The instrument directs that no greater sum than $100 be paid for funeral expenses and that $250 be set aside for a monument to be erected over the grave of her husband, niece and herself. She bequeathes the sum of $25 to Dr. Barret as a slight token of her esteem for the many courtesies and kindnesses shown her by him in her lifetime. She intentionally omits to provide for relatives for the reason that she does not possess much property, and each one's shares would be very small were it divided. The remainder of her estate she bequeathes share and share alike to Rev. John G. Conlan and Rev. James A. Cooper for the purposes of saying masses for the repose of the soul of herself and husband and her father and mother. The estate does not exceed the sum of $1000 in value. Asa Hull is named as executor. The instrument is dated September 21, 1903.

Identity May Be Established.

The identity of the young man who shot himself at San Mateo beach on the 9th inst. is thought to have been established. Mr. Crowe has been hard at work endeavoring to find the relatives or friends of the deceased and has had deputies communicate with a number of persons in various parts of the State. Several people looking for missing relatives have been to the morgue and gazed on the dead man, but each and all failed to identify him. To-day, however, Coroner Crowe received a letter from Constable W. D. Hyde of Benecia, stating that a young man by the name of Jesse Prince had been missing from that place since June 3d. The description of the missing man tallies exactly with that of the suicide and the Coroner is confident the body will be identified as soon as relatives or friends of the missing Mr. Prince arrive from Benicia.

Richard Stevenson's Will.

The Union Trust Company of San Francisco yesterday filed the last will and testament of Richard Stevenson for probate in the Clerk's office at Redwood City. By its terms his wife is left all the real and personal property. He made the provision that if his wife should die shortly after him, or at the same time, the property should go to the Union Trust Company in trust for his children, to be divided share and share alike when his youngest son Howard became of age. The petition does not state the value of the estate except that it exceeds $10,000. The heirs are L. D. Stevenson, his wife Fannie Downing, Emily and Bessie Stevenson daughters, and Howard Stevenson.

Bunker Hill Day.

The Bunker-Hill Association will picnic at Los Gatos next Saturday. A special excursion train will leave San Francisco at 8:30, stopping at San Carlos and this city for the accommodation of those who desire to attend. The exercises at the park will be unusually interesting. Senator Perkins will be president of the day and Hon. S. M. Shortridge will deliver the oration. A cordial invitation is extended the people of this city to attend. One of the sections of the excursion train will stop here about 9:20.

Mass at Portala.

Father Doran of St. Patrick's seminary at Menlo Park will celebrate mass in the church at Portola next Sunday morning at 9 o'clock. This is the last Sunday in which to comply with the Easter duty. Father Doran speaks the Italian and Portuguese languages fluently. First communion will be administered to a large class of boys and girls who have been preparing for the past three months.

District Meeting of Odd Fellows.

The next district meeting of the Odd Fellows will take place at Mountain View on the 24th instant. Members of the order and Rebekahs from this city are invited to attend the meeting. The trip to Mountain View will probably be made by bus. Accommodations will be furnished all who desire to go.

Applied for Letters.

J. B. Richardson has applied in the Superior Court for letters of administration upon the estate of Joseph B. Atherton who died at Honolulu on April 7th, 1903. He left a will that was executed in 1896 and has been probated in the Hawaiian Territory. The property in this county consists of eight lots in the Escondito tract.

Sudden Death of Mrs. Margaret O'Kane at Her Home in San Francisco Sunday.

The sudden and untimely death of Mrs. Margaret O'Kane at her home in San Francisco Sunday evening was a severe shock to her family and friends. The deceased resided here off and on for many years and was well known and respected by all for her many good qualities of mind and heart. Fifty-two years ago Mrs. O'Kane was born in New York, and spent a portion of her girlhood in Davenport, Iowa. When just emerging from her teens she came to California, where she shortly afterwards met and married Mr. John O'Kane, who survives her. Nine children were born to them, only one of whom is now living, James D. O'Kane, who resided with his mother at the time of her death. Mrs. O'Kane was highly connected, being a niece of the late Peter Donahue, who established the Union Iron Works many years ago, and she is a distant relative of many of the prominent families of this State. On arriving in this State she spent some time in the convent at San Rafael. Refinement, culture, intellect of a high degree were hers, and yet the poor and those who were unfortunate were always sure of a kindly word and acts of true benevolence. She was a kind-hearted woman, generous almost to a fault. In scenes of pleasure and rejoicing she was first, and also first where grief and sorrow came. Words and deeds of kindness, charity and love sprang forth from that pure, generous heart unbidden and unasked. A solemn high mass was celebrated in Sacred Heart church Thursday morning, and from there a large concourse of people followed the remains to their last resting place in Holy Cross cemetery, Colma, where all that was mortal of a noble woman was placed to await the dawn of the eternal morning. The following old time friends of the deceased acted as honorary pallbearers: Frank P. Scully, M. A. O'Brien, D. E. O'Keefe, M. Jordan, David Prince and John B. Welsh.

Next Sunday there will be elaborate ceremonies at Sacred Heart convent in honor of the feast of Corpus Christi. The League of the Cross Cadet band of San Francisco, consisting of 48 pieces, will take part. Rev. Philip O'Ryan will deliver an eloquent sermon. The reverend gentleman is State Chaplain for the League of the Cross.

Frank W. Marvin has purchased ten acres owned by Charles Marvin the famous horse trainer. The property joins the residence of C. W. Smith on Santa Cruz avenue. The purchaser recently bought large tracts belonging to the Avy estate in University Heights.

The Southern Pacific Company, in the course of a week or ten days, will put up gates on Oak Grove Avenue crossing. The house for the gate has already arrived. There are several applicants for the position of keeper.

A 13-pound baby girl was born to Mr. and Mrs. M. L. Megladdery at San Jose last week. Mr. Megladdery since leaving here a few years ago has been the agent for the Chronicle at San Jose.

Bids were opened for Mrs. Hand's new eight-room house last Monday evening. The lowest was that of a Palo Alto contractor, whose estimate was $3700.

A baby boy was born to Mr. and Mrs. Charles Brady on Thursday. Mother and baby are getting along nicely, and the proud father wears a broad smile.

Kingham Brothers of this place have been awarded a contract to build a $7,000 structure to contain four flats, for Miss Brothers of Palo Alto.

Albert Johnson leaves Monday for the Lewis and Clark Exposition at Portland and will be gone for two months.

Mr. and Mrs. A. W. Gale arrived home from the East last Thursday, after a visit of six weeks to the parents of the former.

Mrs. Cavanaugh of Vallejo is here on a visit to her friend Mrs. Wm. Headley.
